

## Love Your Local Farmers Markets!

The first peek of spring is always welcome. For those living in icy climes, it must feel like a promise from nature of warmer days ahead. For us here in the Monterey Bay area, a glimpse of green isn't a revelation. The hills are already bursting with bright green by

January. But let's not undermine our own seasonal shifts. We can still rejoice that the first signs of spring have come, with the scent of new blooms, the crisp peas and the tender leaves...and never forget our early strawberries, truly the sweetest spring gift there is.
