

MONTEREY BAY Farmers Markets

SANTA CRUZ COUNTY | SPRING 2025

Spring is like nature's little engine, revving up to drive flavor forward into the rest of the seasons. It makes sense that it's a slow start, that it takes a few turns to plow ahead with full force. The metaphor is apt for our own internal engines. Sometimes it takes a little bit of time to get that spring in our step after a long winter...even here in our temperate climate. Don't put pressure on yourself to jump into action at the first sign of spring. It's okay to slow down, to take the time

to observe each sprout, bloom and berry as they pop into being. And then, as you warm and thaw, step out into the market stalls and take advantage of all that new greenery and color at your own pace. The seasons are the ultimate reminder of time. We shouldn't hurry through them.
